

## Introducing Our Business

*TaylorMaid Custom Cabinetry* opened its doors full time in 2005. Scott Albert, Owner, has been in the custom cabinetry business for almost 25 years. Scott's goal is to customize and manufacture your cabinetry needs with professionalism and top-quality workmanship. Customer satisfaction is TaylorMaid's goal, and with Scott's experience and expertise, we are sure, *YOU*, the customer, will be extremely pleased with the end result.

*TaylorMaid Custom Cabinetry* will custom build and install your next cabinetry project, whether it be a complete kitchen or just countertops (laminated or solid surface available), or maybe its a bathroom vanity, a desk unit, entertainment center, or hutch. Whatever the case may be, no job is too big or too small.

Computerized layouts are available for the customer to see first hand how their project will look.

Don't hesitate, call Scott today!!
